EQUIPPED TO SERVE (ETS)

The desire of Calvary Chapel Gwinnett is “the equipping of the saints for the work of the ministry” (Eph. 4:12). Equipped-to-Serve (ETS) consists of a series of three levels of studies designed to prepare the heart and lay the foundation for those seeking to serve God through this local Fellowship.

Serving can mean many different things to different people from various backgrounds and experiences. Our aim is to have everyone here at Calvary Chapel serving with the same vision and direction as we seek to glorify God in our service to Him.

ETS is intended to help those here at Calvary Chapel understand what it means to “Serve the Lord” and acquaint each one with Calvary’s Distinctives and Philosophy of Ministry. The goal...to enable each person to determine what calling God has on their life and with that, to help develop that call.

ETS LEVELS

Each Calvary Chapel ministry falls beneath the umbrella of three levels:

LEVEL 1

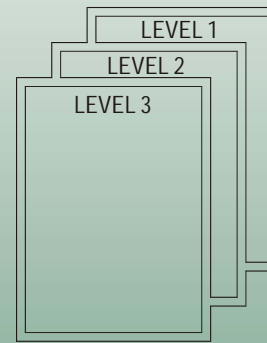

This level consists primarily of help-type ministries, assisting leaders, staff, or team members with the many tasks required for an effective ministry. Most often Level 1 will have no “direct” leadership, teaching, or spiritual responsibilities.

LEVEL 2

Level 2 includes opportunities for coordinating certain designated ministries, and may possibly require involvement in specific areas of leadership, teaching, and/or spiritual guidance to those serving and impacted by these ministries.

LEVEL 3

Level 3 servants are charged with overall leading and teaching of ministry groups that require the highest-accountability spiritual growth and development of its members.

FAQs

Question: How long do I need to be attending Calvary Chapel before I can serve in a ministry?

Answer: We like people to be attending Calvary Chapel on a regular basis for several months. This gives people a chance to get to know us and for us to know them. After that time, once a person successfully completes the Level 1 requirements, they may begin serving under the guidance of a particular ministry leader.

Question: Are there any requirements for serving at Calvary Chapel?

Answer: Yes...a person must, at a minimum, complete the Level 1 requirements before actively serving. Because certain ministries carry a higher level of spiritual responsibility, a person must complete the corresponding Level requirements before serving in that particular ministry.

Question: What is the difference between serving and involvement at Calvary Chapel?

Answer: Calvary Chapel offers many activities that offer involvement without going through any ETS Levels. Examples include: Home Bible Studies, and Men & Women’s Ministry sponsored activities to name a few.

Question: How do I get involved in serving?

Answer: If you’re reading this you’ve already started the process! Register for the next available ETS Level 1 Class at the Foyer sign-up table. At that time, you will receive the Level 1 Homework Packet materials, as well as instructions on attending the upcoming class. After you’ve completed the class, we’ll schedule you for an appointment with the ETS Level 1 Interviewer. He will be your next point of contact where you’ll both sit down and discuss your Questionnaire responses and ministry interests.
